

QUALITY DEFECT & CUSTOMER COMPLAINT FORM

Origin: Hexagon Pharmaceuticals Quality Assurance Department
Complaint Source: External Customer Audit / QA Notification
Customer Name: Hexagon Pharma Ltd
Complaint Date: 2026-07-24

Parameter	Details
Product Name	Metformin Hydrochloride API
Product Strength / Grade	IP/BP Grade
Batch / Lot Number	MFH 26 C-H-G-2-6-0-7-1-2-A
Manufacturing Date	2026-01-15
Expiry Date	2029-01-14
Quantity Affected	100 kilograms (4 HDPE drums)
Complaint Type	Out of Specification - Impurity Level / Appearance

Detailed Complaint Description:
During receiving inspection at Hexagon Pharma facility, Batch MFH 26 C-H-G-2-6-0-7-1-2-A of Metformin Hydrochloride API exhibited off-white crystalline clump formation with elevated related substance impurity levels (0.35% vs specification max 0.10%). Two HDPE drums show moisture ingress around inner liner seals.
